Ways to Sell!

Show & Sell: Your den, pack or troop gets permission to sell in front of a retail store such as Kroger, Lowe's, etc.

Show & Deliver: Carry your Trail's End popcorn with you to show to your customers as you visit them. The customer is able to select the products he or she wishes to buy from your product selection.

Take Order: The most traditional way to sell popcorn by going door-to-door with the take order form, which you receive from your leader or council.

Online Sales: This is the best way to sell to your friends and family who live out of town or those who just prefer the convenience of ordering online. You can send emails to your customers asking them to purchase Trail's End popcorn online. Online sales count towards prizes and commission!
