The dramatic Great American Eclipse of 2017 is still fresh in many people’s memories. All who saw it agree it was a peak life experience.

Now, the 2024 Great American Eclipse will be passing right over our own Kia Kima Scout Reservation - and anticipation is high! The duration of maximum totality will be 4 minutes and 28 seconds, nearly twice the duration of the 2017 Eclipse!

APRIL 6-8, 2024 AT KKSR, HARDY, ARK.

This event will be open to all scouts in and out of Chickasaw Council. We are fortunate to be one of the very few BSA camps to experience the total solar eclipse - an event that will not happen again until 2044!

Many eclipse and astronomy activities will fill the weekend leading up to 2024 Great American Eclipse on Monday, April 8.

GETTING TO KIA KIMA

See the map in this guide for instructions to Kia Kima Scout Reservation. Be cautious using the camp address in G.P.S. units, as there are many difficult-to-pass roads in the area (some of which are hazardous). Feel free to call the camp office (870-257-4935) if you need assistance getting to camp.

ARRIVAL AT CAMP

Units should plan to arrive at camp beginning at 4:00PM on Saturday, April 6. All units will check-in at the Administration Building, where a camp staff member will direct campers.

OPENING CRACKER BARREL

There will be an opening Cracker Barrel Saturday evening at 8:00pm. It is here that any final updates will be presented. All are encouraged to attend.

COMING AND GOING

At times, leaders may find that they need to visit a local store for additional camp supplies. There are several small towns within about twenty minutes of Kia Kima, with stores selling items that you may need (there is a Walmart in Ash Flat).

CAMP CHECKOUT

The check-out procedure will begin Monday morning at 9:00 where patches and eclipse glasses can be picked up. We ask that all are patient. Heath forms will also be returned at this time.

TRANSPORTATION/PARKING

Each unit is responsible for the safe transportation of its members to and from camp, ensuring that all vehicles meet National BSA insurance requirements.

Transporting Scouts or adults in the bed of a pickup truck or trailer—whether it is covered or uncovered—is against national BSA policy and poor judgement.

Parking is provided at the camp entrance for leaders and visitors. The main parking areas are in between the Dining Hall and the Administration Building and near the Handicrafts pavilion. Some campsites have access to limited local parking, too; otherwise, all vehicles should be parked in one of the main lots.

Units are encouraged to leave a trailer in the campsite in order to store gear. A locking box is recommended to provide a place to secure and safeguard personal gear.

To keep traffic in camp to a minimum, only camp vehicles will be allowed to drive in camp during the event.

Unit vehicles will be permitted into campsites during check-in and check-out, for the purpose of loading and unloading.

While driving in camp please observe our speed limit of fifteen (15) miles per hour.

PLEASE NOTE: ARKANSAS STATE POLICE ARE EXPECTING DELAYS ON ALL HIGHWAYS AND ROADS IN THE AREA MONDAY AFTERNOON FOLLOWING THE ECLIPSE

**IMPORTANT NOTICES**

**THIS EVENT WILL BE HELD RAIN OR SHINE**

The Total•E Event at Kia Kima Scout Reservation will be held in the event of rain or cloudy weather. Only the threat of extreme weather will cancel this event.

**REFUNDS**

If we have to cancel this event due to extreme weather, you can get a full refund or credit back to your Tentaroo account.

All refund requests must be submitted to the Council office prior to **March 29, 2024**.

All refund requests should be submitted to Haley Baird at haley.baird@scouting.org

Chickasaw Council strives to provide the best program possible. We enter into obligations with our vendors months prior to these events. Cancellations after March 29th undermine our ability to provide our quality programs.

**LATE FEES**

A late fee of $10 per person goes into effect starting March 23, 2024 regardless of registration type.

**CLASS AND ACTIVITY REGISTRATIONS**

Registration for merit badge classes and other activities opens March 15 at 7:00PM.

**YPT TRAINING**

Out-of-Council units (those units attending that are not part of Chickasaw Council) will need to bring a copy of their official roster from their Council with proof of each adult YPT training. We do not have access to other Council’s records to verify registration and YPT status.

The Cub Scout parent exception rule applies.

Rosters can be emailed prior to camp: Haley Baird at haley.baird@scouting.org

**CAMPING GEAR**

Everyone is responsible for supplying their own tents and camping gear. Please keep in mind that the ground at Kia Kima is quite rocky. Heavy Ground cloths are highly recommended. Some plats may be available in campsites for free standing tents, though these may not be available in all sites.
